Beloved Children of My Heart:

It is a Joy to My Heart to present to you My Beloved God-Friend, Lord Michael, as He sends the radiation and blessing of Illumined Faith around the Earth on Transmission Day, September 17, 1960. Here are His Words, containing His promise and His Love.

Love and Blessings

THE MAHA CHOHAN

"LORD MICHAEL" RETREAT SPONSORS 1.

* * * *

each and every one of you, CHARGED through your feelings, CHARGED through your minds, CHARGED through your souls and CHARGED through your physical vehicles until such time as you, yourself, shall rise and become a Defender of the flickering Faith in others. In that way you balance that energy which I invest in you. We come again, again and again, in patience. We have endeavored to bring to you understanding of Our Service to life. What did I use to create My own magnificent Sword of Blue Flame? The substance of Life itself which was Mine to utilize out of thought, then charged with that wonderful feeling of love which sustains It, and POWER to act not only in the physical world but in the astral realm as well; that Sword which has again, again and again cut lifestreams free from unpleasant creations of the past and of the present; that Sword held in My own Hand and wielded in love for God's sweet sake, for mankind's sake, for imprisoned Angels' sake and for the Earth's sake, into your hands this day I place a smaller Replica of that Sword of Flame, Which you <u>in love</u> can use to cut yourself and others free from temporary appearances that are less than Christ Perfection'

Beloved ones, that is substance. That is a gift of Life, My Life, given unto you for one purpose - that you in turn shall be joyous and happy in setting imprisoned life free from the chains and limitations of imperfection changing them into that perfection which God intended all to manifest'

Having seen that which God intended to be and which shall manifest gives Me a renewed and powerful enthusiasm in My endeavor. When particularly Our Focus is open and that Temple of Illumined Faith becomes the cohesive power toward which all the Hierarchs and chelas turn their attention to Us to utilize to the deepest possible extent that Power of Faith We shall set those who visit Us free from impurities and give to them a positive and yet kindly vibratory action through their own inner and physical vehicles which enables them TO HOLD THE FAITH IN THE GOODNESS OF GOD! HOLD THE FAITH IN THE POSSIBILITY OF GOD'S MANIFESTATION THROUGH YOU! HOLD THE FAITH THAT NO MATTER HOW BIG THE HUMAN APPEARANCE IS, GOD ALMIGHTY AND WE, HIS DIVINE MESSENGERS, ARE IN TRUTH OF GREATER POWER and (through the open door of your consciousness) as you speak Our Names or think upon Us, there flows through you Our Love; the Love which I have felt for you when you discarded a body at the close of an Earthspan; the Love and strength I have felt for you as you stood before the Karmic Board with the results of all the experiences you had in that embodiment, sustaining you in grace and dignity as you showed the sheaves of accomplishment in that life and the Love and Faith invested in you when you take a new embodiment knowing that through that embodiment you shall bring more of God to this Earth.

The Service of the Angels is different than the service of any other group of Divine Beings, We dwell constantly upon the creation of a <u>feeling</u> of <u>God Happiness</u>, <u>of Illumined Faith</u>, <u>of God Wisdom</u>, <u>God Love</u>, <u>God Purity</u>, <u>God Consecration</u>, <u>Healing</u>, <u>Precipitation</u>, <u>God Mercy</u>, <u>Forgiveness and God Peace</u>.

<u>My activity is that of God Protection in, through and around you NOW, not only as you are within your Sanctuaries but wheresoever you move upon this Earth.</u> Call Me into action or call your beloved Ascended Master Sponsor Who so kindly and graciously gave this thirty-day period to you and allow Us to prove to you Our Reality and the capacity to remove distress from you and to replace it by those feelings that you all had before the world was which cannot ever be changed or misqualified by human feelings. THIS is a possibility. It has been done throughout the aeons of time by unascended beings and the sustaining of Illumined Faith and God Protection of all that is Good and Holy and Perfect upon this Earth is part of your assignment for this thirty-day period. Sept. 15 through October 14, 1960.

As I have written your names and the Names of each of your Sponsors upon the door of the Mighty Temple of Illumined Faith at Banff, I have left a large Scroll for both you and your Sponsor, wherein shall be writ within each twenty-four hours that which you have done and which He has been enabled to do through you and with you.

Every twenty-four hours I, Myself, shall read it and I do not expect one Sponsor from My great Temple of Illumined Faith to be left sitting on the marble benches at Banff while there is requirement, MORE THAN YOU KNOW, for that activity in this world of form.

Rise out of this soul sleep, ALMIGHTY GOD, soul sleep is past. Lethargy should be a thing that has long since been rooted out of the consciousness of the chela and alertness, activity and conscious work should by now be part of the levitating process of daily living. I ACCEPT IT, I EXPECT IT and I COMMAND IT in, through and around you! Thank you, Beloved ones."
